doing Research

75,000+

active alumni
in over 170 countries
in the world

Objectives

- Enhance your LGBT+ talent leadership potential
- Status Quo? Become a driver of inclusion in your organisation
- Build your confidence with authenticity and purpose
- Expand and develop your professional LGBT+ network

Benefits for participants

- Craft your unique leadership style as an LGBT+ talent
- Empower yourself as a change agent within your organisation
- Identify actionable insights that impact both your personal and professional development
- Learn to work inclusively and enhance collaboration in your workplace
- Build lasting connections, benefit from your peers' advice, and inspire your community

Profile

- Members of the LGBT+ community with a minimum of 3 years of professional experience
- Current and aspiring leaders, activists, project managers
- Participants should be proficient in English

Programme Highlights

- Sessions on understanding your identity in leadership within teams
- Workshop on developmental networks, role models and LGBT+ prototypes
- Storytelling: positioning your project with impact and peer feedback
- Workshop on community building: policies and practices
- Sessions on growing your LGBT+ leadership – from awareness to courage
- Community networking with LGBT+ talents and allies
- Follow-up sessions to reflect on learnings and best practices

Certificate

Upon successful completion of the programme, graduates will receive a highly recognised international certificate from ESCP Business School.

Methodology used

- Our teaching and learning approach addresses the heart, brain and hand of the participants.
- The heart stands for an innovative mindset, the brain symbolises academic concepts and models and the hand stands for tools, techniques and methods as part of the learning programme.

ESCP benefits from the best international accreditations. Our European campuses are officially recognized in their country.

5 European Higher Ed accreditations
